

## School Requirement for Head Lice

Because of the possibility of spreading head lice, the following precautions will be taken when head lice or nits are found on persons in Westmoreland County Public Schools:

1. Examination of person; and
2. Verbal and/or written notice to person, parent or guardian; and
3. Immediate removal from school until head lice and/or nits are no longer present; and
4. Reexamination of the person upon return.
